

CRYPTOGOLD – QUESTIONS & ANSWERS (FAQ)

WHAT IS CRYPTO GOLD?

CG is a German company with registration office in Dubai that is selling lifetime mining contracts (hash power) to individuals.

WHO ARE THE FOUNDERS

Mao Lal (Ceo), Michael Bauer (Director IT/backoffice) and Sascha Senft (Director Finance/mining)

WHAT DO THEY OFFER?

They offer mining contracts from \$50-\$5000 with a one time activation fee of \$79 as well as they offer a binary marketing plan for those who wish to work with the company and make extra profits

WHEN DID CRYPTO GOLD START?

The company was founded and started in August 2016, until June 2017 the owners and first investors of this company were mining and testing everything themselves and now launched the network of CG June 2017.

WHERE IS THE MINING FARM OF CRYPTO GOLD LOCATED?

The mining farm is located in the state of Washington, west coast of the USA. The owners have invested up to \$25 million now in factory and mining equipment and are the sole owners of their mining farm.

HOW DO I MAKE PROFIT FROM CRYPTO GOLD?

You can make profits two ways in CG: You make profit by purchasing a mining contract with CryptoGold which will give you a daily return of the coin you are mining (return depends on hash rate and difficulty).

You can also make profit from referring people to CG, direct sales, team binary sales and matching bonus is available.

MUST I REFER TO EARN?

No you must not refer to make profit from CG, simply by purchasing a mining contract you will be generating daily profits on a lifetime contract. Referring other makes you eligible marketing commissions.

WHAT ARE THE MINING CONTRACTS IN CG AND WHAT COINS ARE THEY MINING?

The mining contracts are \$50 - \$100 - \$250 - \$500 - \$1000 - \$3500 - \$5000 and the first purchase has a one time activation fee of \$79

The coins CG is offering you to mine is bitcoin, ethereum, litecoin dash and zcash, more options will come in future.

IS IT POSSIBLE TO MINE SEVERAL COINS AT ONCE?

Yes, you can mine all the coins at once if you wish, there is unlimited mining contracts to be bought on your account.

CAN I CHANGE MY CONTRACT OF MINING ONE TYPE OF COIN TO MINE ANOTHER TYPE OF COIN IF I WISH, AND DOES IT COST?

Yes this is possible, you can switch the mining of any alt-coin with your contract, the only contract that is locked are the bitcoin mining contracts.

WHAT DO I GET FOR REFERRING PEOPLE?

You will earn direct commission, team binary commission, binary matchin commission and team level up bonuses - More details in the compensation plan

HOW IS COMMISSION PAID OUT?

All network commissions are paid out in bitcoin, instant withdraw

HOW DO I START?
